Description:

What is it made of? What shape is it? If there's nothing there, is there anything to show that it once was? Feel free to draw a sketch with notes - use the back of the sheet for more space to create your artwork!

Did you take any photographs?

Dimensions:

Just a simple width, height and depth will do

Is there an inscription? If so, what does it say?

What can you tell us about its condition?

Has it been damaged or defaced in any way? Is it badly weathered or covered in vegetation?
